C2. What is the net worth (as declared under C1) currently made up of?  (Comprehensive details of assets held are to be given. Stating, for example, that applicant owns two apartments is not enough and addresses should be provided)	€	Documentary Evidence Submitted (Refer to C3)

Properties		
Company Shareholding/s		
Other Assets (specify) (E.g. Trusts)		

# C3. Documentary evidence of the assets making up the applicant's current net worth, as listed under SSFW (C2), is required. The following are the most common assets that applicants may own:

Assets	Documents Required
Investment Holdings	Statements of account / portfolio
Bank accounts	Bank account statements
Properties	Copy of contract of purchase, or Title deed from land registry (or jurisdictional equivalent), or Professional property valuations
Company Shareholdings/Ownership	If in the SSFW the main applicant, spouse/de-facto partner or a benefactor declares that they hold shares in one or more companies the following documentation is required:
	Certificate of incorporation;
	<ol> <li>Share register and register of directors of the companies. If the company's Memorandum and Articles of Association (or its jurisdictional equivalent) includes the latest lists of the company's directors and shareholders, this should suffice; and</li> </ol>

	instruction on the Declaration itself), there is no requirement to provide the relative company documentation mentioned above for these 'secondary' entities.
	In case of complex corporate set-ups, applicants should submit a structure chart showing all their business affiliations together with the percentage shareholdings. This should help the Agency better understand the applicant's affiliations.
